Event: Matilda the Musical  
Date: October 2018  
Venue: Manchester Palace  
Theatre

I am starting a drama club in the new year.

This has helped me to try to learn a musical instrument as the orchestra was incredible. I am also looking into a drama club in the areas which may help me reach higher achievements.

I now sing everywhere in the house and dance all round my kitchen! It has even pulled me away from my phone!

I enjoyed the night because it was a bonding experience with my friends and teachers. It also influenced me to become more active in the arts department.

I enjoyed watching Matilda in the theatre — all those brilliant children inspired me to do my best for our play.

As we are creating a production, it has been a great chance to see the skills I can learn. It also helped me to realise that even if you don't have the biggest role, people are still watching.

Watching 'Matilda' in the theatre has made me want to be part of more plays in the future. I have now started a musical theatre group to help me.
