Chairman: Mr Damian McGann

Dear Parents / Carers,

Following on from the announcement from the Prime Minister yesterday, I can confirm the following, based on the information provided by Public Health England:

1. Our schools will remain open to pupils whilst we are able to provide adequate supervision. All of our schools are open today.
2. Pupils who are in families that have someone 'self-isolating' should not come into school for 14 days.
3. This will be the same for our staff

What we are doing to mitigate this situation?

We will endeavour to keep schools open to support families during this difficult period.

To support our staff who will be covering for colleagues we will suspend all additional school events as follows:

- Parent Evenings
- Non-urgent school / parent meetings
- School events or trips
- Some revision classes – to be reviewed on a daily basis
- Staff meetings

We will maintain breakfast and after-school clubs in our primary schools to support our working parents.

I would like to thank our staff for supporting your children at this difficult time and for families who are showing great patience with our actions.

I will continue to provide you with daily update.

Yours sincerely

Tarun Kapur CBE
