5th June 2020

Dear Parents/Carers,

In the past few weeks there has been a great deal of activity behind-the-scenes in our schools, mainly preparing for the return of our pupils. Whilst a return to normal for all our pupils would be our ambition, we need to ensure that we do so safely and following government guidance.

We will continue to provide support for those year groups who are not able to have face-to-face interaction with our staff and should you have issues that require school involvement then please do not hesitate to contact us for help.

Your headteacher will provide specific details about how they intend to educate your child on site whilst maintaining social distancing.

A huge "thank you" to parents and carers who have already informed us of their intention for their child/children to return to school. This has been very helpful with our planning.

Please be advised that we can only accommodate children from the following groups:

- Key Workers
- Reception
- Year 1
- Year 6
- Year 10
- Year 12

We must have prior notice from parents/carers that they intend for their child to come to school. We cannot accept children who turn up to school without prior contact.

Once again, many thanks for your patience and understanding during this particularly difficult time.

I wish you and your family a safe and happy weekend.

Kind regards,

Tarun Kapur CBE
Chief Executive
