Headteacher Message

Dear Parent/Carer

I hope you and your families are safe and well.

As we approach the end of academic year next week, our planning for the full re-opening of the school in September is well underway. I will be able to communicate some initial key information to you next week - with further detail to follow over the summer holidays.

We are also making arrangements for our Year 11 pupils to collect their GCSE results on 20th August 2020 and the full details around this will be communicated shortly.

Year groups 7-10 will be receiving an end of year annual report statement from their Form Tutor next week.

We have enjoyed another positive week in school and I particularly enjoyed chatting with parents and pupils from our new Yr6 into Year 7 cohort on the transition days. You can read more about our transition programme in the message from Mrs Ellis below.

Yours sincerely,

V. Gowan **V Gowan, Headteacher**

Transition Update

We were delighted to welcome our Year 6 cohort to LDA this week. Pupils and parents/carers met with their new Form Tutors for a one to one Induction Meeting where key information was shared. Form Tutors were able to take some time to get to know every child and put their mind at ease about starting secondary school. Mrs Hampson, Head of Year 7, also enjoyed getting to know her Year Group during this time. Look out for an invite in the post which will outline details of our KS2-3 Summer School. This will run during the week commencing 17th August.
