Dear Parent/Carer,

Important information about school shoes

I am aware that many parents/carers are likely to be purchasing your child's schools shoes ready for the new academic year, therefore I would like to take this opportunity to remind you of the following school rule:

School shoes must be **plain black**, business style with leather upper. Boots, smart trainers, multi-coloured shoes with accessories and footwear with coloured piping, logos, soles and laces are **not permitted**. Please note **if it looks like a trainer it is a trainer**.

Some retailers call their training shoes, shoes so please always consider before purchasing 'if it looks like a trainer, it will not be permitted'.

To support you, please see below a selection of images that are acceptable and conversely ones that are not.

We obviously want every child to start a new academic year positively so please ensure your child has the correct footwear.

Thank you for your continued support.
