Academies Director: Mr Barry Bridden MEd MSc
Headteacher: Miss Victoria Gowan NPQH NPQEL

21st September 2021

Dear Parent/Carer

I am writing to inform you that all Year 10 pupils will take part in the 'Cells Project' on Friday 1st October 2021 for the full day. This project will involve workshops and talks about crime awareness for young people. The 'Cells Project' has an excellent reputation working with schools in Liverpool and Knowsley to educate and support understandings of adverse behaviour in society and the consequences of actions.

The CELLS ideal and primary objective is to provide children and young people with an understanding of the consequences of anti-social behaviour and crime, arming them with an informed choice on their own life paths.

By the end of the session, pupils should have a better understanding of what can happen to them if they choose to act inappropriately.

The Cells team will consist of people who have been affected by crime. The team will speak about their own experiences to help pupils understand that crime is not a viable activity or career option.

It is expected that all pupils will participate in this workshop. However, if you would prefer for your child **not to take part** in the 'Cells Project' please contact the school and we will make alternative arrangements.

Thank you for your support,

Yours sincerely,

Miss E Pope

Assistant Headteacher
Director of Behaviour and Attendance
