Thursday 16<sup>th</sup> June 2022

Dear Parent/Carer,

As we near the end of your child's time at Lord Derby Academy, we would like to acknowledge how pleased we are with the way in which our Year 11 pupils have conducted themselves during the GCSE examinations. When we met with you at the beginning of Year 11, we all faced uncertainty due to the ongoing concerns surrounding Covid-19. We are proud of the manner in which our Year 11 pupils adapted to their change in circumstances and the resilience they have displayed following periods of lockdown and isolation.

Please find below key information;

### Leaving arrangements:

Mrs Blackmore and the Year 11 team assured Year 11 throughout the year that they would celebrate the time they have been with us in a special 'Year 11 Event'. That promise was fulfilled today as the year group enjoyed a fun afternoon together with their form tutors, where memories were made and shared.

We will hold a formal Leavers' Assembly tomorrow (**Friday 17<sup>th</sup> June**) after the Spanish examination. Pupils have been informed that they can bring a **spare shirt** in with them, and a Leavers' book, to get signed by their Year 11 peers. **They must not sign shirts that are being worn or allow anybody to sign the shirt that they are actually wearing.**

Year 11 pupils will be dismissed from school **before lunch on Friday 17<sup>th</sup> June**. They will only be expected back on site for their remaining examinations. They must continue to adhere to the standards and expectations of the Academy and The Dean Trust. Whilst in the local community, we expect the conduct of our pupils to be exemplary. Please can we request parents and carers support the Academy with this aim. The school's usual sanctions can still be implemented if any pupil lets us down whilst wearing the LDA uniform.

May I remind you that attendance at examinations for which your child has been entered is compulsory. Non-attendance could result in a charge to yourself for the relevant examination and will obviously affect your child's final results.

Food and Nutrition pupils will remain on site for a booster session after the chemistry examination on Monday 20<sup>th</sup> June. Revision materials and booster sessions will be provided via the Google classroom for the remaining examinations. ALL pupils are involved in the chemistry and physics examinations.

When attending school for an examination, pupils must be in full school uniform, bring their equipment for the examination, and adhere to our usual standards. They do not need to bring their school bag.

**Laptop return:**

We will be communicating with pupils with regards to the return of the school laptop your child may have received during school closure.

**PE kit and uniform donations:**

If your child wishes to donate any part of their uniform to school, we will be happy to receive it and recycle. The PE department will be happy to accept any school PE kits. Ties and blazers can be donated after the final examination and any other part of their uniform (e.g. pinafores, trousers or jumpers) will also be gratefully received at any time during the remainder of the summer term.

**Results day:**

**Examination results will be available from 10am on Thursday 25<sup>th</sup> August 2022.**

Information about the collection of results was issued in the GCSE Examinations Guidance Booklet and will be available on the school website.

We would like to take this opportunity to thank you for your support during the time your child has been with us. We wish them every success in the future as they progress on to their next stage of education, employment or training.

If you require any further information please do not hesitate to contact us at school.

Yours sincerely,

Miss Morrison (Assistant Headteacher, Director of Key Stage 4)  
Mrs Blackmore (Head of Year 11)  
Mrs Broadhurst (Pupil Support Manager- Year 11)
