Headteacher Message

Dear Parent/Carer

As we reach the end of the Spring term, I would like to take the opportunity to thank you for all your support for our school community. It has certainly been a busy few months but, during this time, I truly believe the school has continued to go from strength to strength.

We have made significant strides in our development of the curriculum and the experiences we offer our pupils. We have placed a real emphasis on the value of reading and also on adaptive teaching to support all our pupils, including those with SEND. Pupils have continued to benefit from a broad enrichment programme and we have continued to drive parity and respect for all through our pupil-designed Equality Charter.

I now look forward to the Summer term ahead. We will be wishing our Year 11 pupils well with their GCSE examinations and we will be enjoying a wide range of events and activities such as the LDA Festival of Sport.

Pupils are to return to school on Monday 17th April 2023. In the meantime, I hope you and your family enjoy a very peaceful Easter break.
